When you are cast in a show, your responsibility does not end with the curtain going down. It ends with the striking of the set or putting away of the instruments and equipment that happens after the last performance. It's fun, you work as a team, and when it is done, everyone gets to go to the cast party.

The minimum to meet this requirement is 2 strike signatures for each year you are in the APA program.

Please get show strike cards from your director. Then staple completed & signed card to a space below.
