INTRODUCTION

Please keep this page for your records

Thank you for your interest in APA Student Council! Being on APA Council is an important job that requires a lot of time, effort, dedication and responsibility. It also is very rewarding, gives you great memories, opportunities to have fun, and gets you involved in the Academy for the Performing Arts and the decisions that affect every student. Please read this packet carefully. Failure to comply with the rules and regulations will result in disqualification. If you have any questions, please see Susan West in the APA Office. Be sure you know the deadlines and meet all of them!

Our ultimate goal is to create a council that accurately represents The Academy for the Performing Arts student body they will serve. If you are appointed to a position on student council, please understand that it will require a significant commitment. This time commitment includes time during the summer, after school, and on weekends.

Though appointed students are responsible for planning events and and being good role models, much of what student council is about is looking within and learning leadership skills. This group is designed to develop personal leadership skills and an understanding of group dynamics. It seeks to foster in students a better understanding of themselves and their capacity for leadership; to create an understanding of the importance of leadership in a democratic society; and to prepare students to assume leadership roles in the Academy and community.

In addition the student council is responsible for supporting all departments such as shows and fundraisers. The council also plans many APA wide activities throughout the year including: Walk for the Arts, Valentines Day Dance, Academy Awards, and much more.

As appointed student body leaders, each member of Student Council is to set an appropriate example for others at all times (both in and out of the Academy). You will be required to promote APA spirit and pride, attend all Student Council activities, cooperate with others, be positive, and be willing to go the extra mile. Students will be placed on probation for the following reasons: unweighted, cumulative grade point average below 2.5, violation of the district participation agreement, or inappropriate use of social media.

Sincerely,
Susan West
APA Student Council Advisor
