MMET (the Music Media and Entertainment Technology Department) are proud to present their 8th annual concert of Beatles-related music. Not wanting to repeat ourselves, yet explore deeper into the Beatles catalog, we've decided to center our theme on music from the five films made by the Fab Four in the 60's. Your eyes and ears will feast upon the many celluloid delights from A Hard Day's Night, Help! Magical Mystery Tour, Yellow Submarine, and Let it Be. The set list will be incredible, the set will be cinematic. Sorry, no popcorn is allowed in the Auditorium.
