Almost fifty years before *Chicago* became a musical, it was a hit play on Broadway. Based on a true story of the most beautiful murderess in the 1920's, all the famous characters are there: Jazz slayer Roxie Hart, crafty lawyer Billy Flynn, tough Matron Morton, simple-minded Amos Hart, stylish Velma Kelly, and sob sister Mary Sunshine. This one has got it all: booze, babes, lovers, murder and jazz!
