

RETROFEST

ROCK AND ROLL HIGH SCHOOL

This year's eighth Retrofest will examine the high school experience through the lens of cinema. When

catering to a teen audience, the film industry has always showcased the music of the time. We will hear and see our unique MMET take on classic songs and scenes ranging from Blackboard Jungle, Dazed and Confused, Valley Girl, Fast Times at Ridgemont High, to the ultimate combination of music and adolescence found in John Hughes classics like The Breakfast Club, Ferris Beuller's Day Off, Pretty in Pink, and many more. This show promises to have the highest nostalgia quotient yet!
