

**Audition results will be posted  
here after APA and HBHS are  
back in session.**

**At this moment, we are closed until  
sometime in April.**

**Thank you for your patience, as well as your  
kindness to APA (and each other) during this  
difficult time.**

**APA knows that the audition process, just on  
its own, is not easy for students, and we know  
that it is especially difficult for the entire  
family during this very trying time.**

**Please keep your loved ones close.**

**We wish you all the best,**

**HB  APA**
