It's 1959, and Rydell High School's senior class is in rare form. The budding romance between hot-rodding greaser Danny Zuko and the sweet new girl in town, Sandy Dumbrowski, is on the rocks. They may have spent the summer together, but peer-pressure and cliques have made their love life more complicated now that they're back in school. Can Danny maintain his cool-guy status and still make demure Sandy his girl? The whole gang sings and dances through this coming-of-age story with hit songs such as "Greased Lightnin'" and "We Go Together," recalling the music that ultimately became the soundtrack of a generation. Starting off with an eight-year run on Broadway, "Grease" is among the world's most popular musicals and a force of sheer energy and fun.
