

MEDIA TEAM PRIVATE SCREENING

May 18th
One Screening at 6pm
APA Studio Theatre

When not filming live performances and concerts, the MMET Media Team's true passion is filmmaking. APA has a great stable of screen writers, directors, cinematographers, and editors that produced short films all year long. Join them in this special screening of their work in an intimate and informative environment. After each film, there is a brief Q&A with the students that created them. You are invited to be entertained and learn a few things about the filmmakers' art.

There is one screening in the APA Studio Theater (Black Box).
