Based on the true story of conjoined twins Violet and Daisy Hilton who became stars during the Depression, Side Show is a moving portrait of two women joined at the hip whose extraordinary bondages brings them fame but denies them love. Told almost entirely in song, the show follows their progression from England to America, around the vaudeville circuit and to Hollywood on the eve of their appearance in the 1932 movie Freaks.

There are eight performances. The first hour of each event will feature appetizers and preshow.
